Chairman

CHAIRMAN'S MESSAGE

I am pleased to present the annual report for the National Safety Council-Maharashtra Chapter for the financial year 2024-2025, which includes the Audited Income & Expenditure Statement and the Balance Sheet. I am delighted to report a notable increase in both corporate membership and demand for our services, thanks to the proactive support from all stakeholders and our team's commitment to continually enhancing service quality.

It is with pride that I share the news of the Maharashtra Chapter's status as one of the leading chapters within the National Safety Council of India. Our various initiatives have led to growing demand for our services across industrial areas in Maharashtra. The Chapter has effectively carried out training programs on topics such as Industrial Safety, Defensive Driving, Electrical Safety, Behavioral Safety, as well as Safety Audits, Fire Audits, and Risk Assessments for member organizations. This demonstrates a rising number of companies benefiting from these programs.

As part of our commitment to community engagement and social responsibility, the National Safety Council – Maharashtra Chapter has initiated Corporate Social Responsibility (CSR) activities focused on promoting a culture of safety and improving safety practices across various communities.

Our Quarterly Bulletin, "Mahasuraksha Patrika," which provides vital updates on Occupational Safety, Health, Environment, and other relevant events, has been well-received by our members. Four issues were published online this year, thanks to the excellent work of Shri J.A. Solanki, the Bulletin's Hon. Editor.

I extend my gratitude to S/shri Ashish M. Shah, S. V. Bhogte, Vice-Chairmen, P.R. Masurkar, Hon. Secretary, A.S. Karmarkar, Hon. Joint Secretary, Ravindra Mali, Hon. Treasurer, J.A. Solanki, Hon. Editor of Mahasuraksha Patrika, Executive Committee Members, and KAMA members for their invaluable support in conducting various safety, health, and environmental activities.

I also wish to thank the member organizations for their cooperation in supporting our initiatives in Occupational Safety, Health, and Environment.

Finally, I want to express my sincere appreciation for your continued trust, confidence, and support.
